

PRINCETON NATURAL SPECTRUM[®] Executive Desk Lamp

- Elegant and functional lamp with built-in RJ-45 computer port and 110 V outlet in lamp base
- Translucent shade provides ambient glow to surroundings
- Patented TruColite[®] illumination brings daylight indoors for the best reading and project light
- Bulb produces 150 W of light from 27 W and lasts 10,000 hours – more than 10 times the life of traditional bulbs
- Cool to the touch lamp head provides safe operations without adding heat to your workspace
- Electronic ballast with Flicker Elimination Technology™ provides instant-on illumination
- Scaled to the decor of today's larger homes

PRINCETON NATURAL SPECTRUM®

Executive Desk Lamp

The science of ergonomic design maximizes productivity by minimizing fatigue and discomfort. Verilux® Natural Spectrum® light translates these principles specifically for your eyes.

By continuously tuning light to the human eye, Natural Spectrum®:

NEUTRALIZES THE STROBOSCOPIC EFFECT “filling in” wavelengths to counter the strobing of fluorescent lights and computer screens that can tire and even damage eyes.

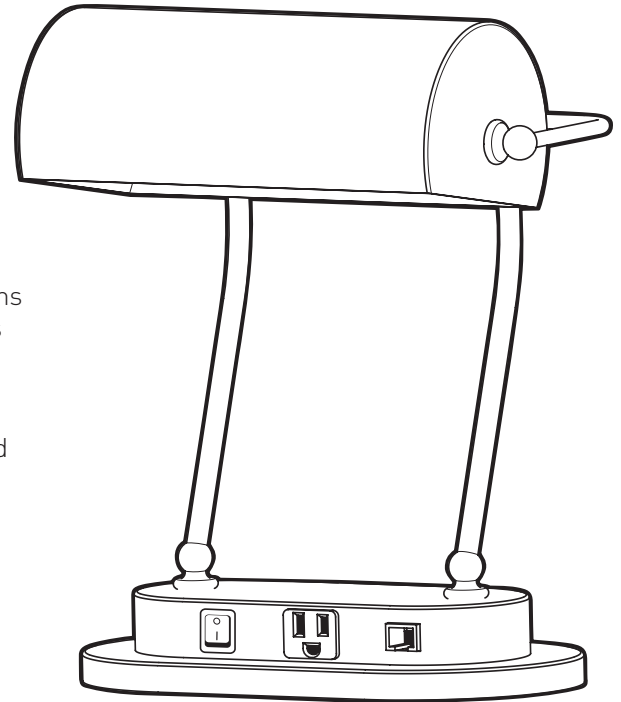

REDUCES REFLECTIVE AND PERIPHERAL GLARE that forces eyes to do optical “push-ups” and can lead to eyestrain, blurry vision and headaches.

ELIMINATES FLICKER monitoring and adjusting energy flow to deliver a steady stream of pure soothing light.

Verilux® lamps “Provide a high level of visual clarity and accommodative comfort. I highly recommend them.”

Sam M. Berman, Ph.D.

Base & Head & Body Antiqued Nickel
Cord/Plug Clear/Silver
UPC 7 68533 95745 0

Ballast

Ballast Type Electronic

Packaging

Unit Carton Box (UCB)

Dimensions 12.2" x 7.9" x 15.9"
Gross Weight 7.0 lbs

Master Carton Box (MCB)

Quantity 2
Dimensions 16.5" x 13.0" x 16.7"
Gross Weight 15.2 lbs

Product

Overall Dimensions

Weight 5.5 lbs.
Height 15.0"
Base Diameter: L x W x H 5.125" x 10"

Head

Head Dimensions: L x W x H 9.0" x 5.0" x 3.0"
Material Metal
Reflector Specular Metal

Switch

Switch Type On/Off
Switch Location Main Body

Cord/Plug

Plug Type Polarized/ USA two prong
Cord Length 5' (60")
Proposition 65 Compliant

Bulb

CFML27VLX 27 Watt Compact Fluorescent

Safety

UL listed
