

LEGACY NATURAL SPECTRUM® Desk and Table Lamp

- Designed from early 20th century work lamps
- Fully dimmable switch built into the socket provides infinite light levels suitable for task lighting or general illumination
- Achromatic shade for even, effective illumination
- 60 Watt bulb delivers Natural Spectrum® illumination to any project
- Scaled to the decor of today's larger homes

VISION
SIA

LEGACY NATURAL SPECTRUM® Desk and Table Lamp

The science of ergonomic design maximizes productivity by minimizing fatigue and discomfort. Verilux® Natural Spectrum® light translates these principles specifically for your eyes.

By continuously tuning light to the human eye, Natural Spectrum®:

REDUCES REFLECTIVE AND PERIPHERAL GLARE that forces eyes to do optical “push-ups” and can lead to eyestrain, blurry vision and headaches.

Verilux® lamps “Provide a high level of visual clarity and accommodative comfort. I highly recommend them.”

Sam M. Berman, Ph.D.

Lawrence Berkeley National Laboratory

Specifications

Colors

VD04AB1 – Aged Bronze

Base & Head & Body Aged Bronze
Cord/Plug Clear Gold
UPC Code 7 68533 95737 5

Ballast

Ballast Type Electronic

Packaging

Unit Carton Box (UCB)

Dimensions 10.6” x 5.2” x 19.0”
Gross Weight 7.0 lbs

Master Carton Box (MCB)

Quantity 2
Dimensions 11.8 x 11.7 x 20.2”
Gross Weight 15.8 lbs

Product

Overall Dimensions

Weight 6 lbs.
Height 21.75”
Base Diameter: 8”

Head

Head Dimensions: 8.5” diameter
Material Metal
Reflector Achromatic w/Heat Diffuser

Switch

Switch Type fully dimmable
Switch Location socket

Cord/Plug

Plug Type Polarized/ USA two prong
Cord Length 6’ [72”]
Proposition 65 Compliant

Bulb

A19F60VLX 60 watt Natural Spectrum® Neodymium incandescent

Safety

UL listed
